SAMPLE DISCLOSURE 1:
This report is being generated for Informational purposes only and is not intended, in any manner, as an official brokerage or mutual fund statement. If you have any questions about the statements please contact the relevant product sponsor. We believe the sources to be reliable, however, the accuracy and completeness of the information is not guaranteed. In the event of a discrepancy, the sponsor's valuation shall prevail.

Past performance is not indicative of future performance. No warranties are offered as to HiddenLevers data and conclusions contained in this report. Factors that may impact analysis may not have been considered in generating the data or conclusions in this report, and we caution against over reliance on this tool. This consolidated report may include assets that the firm does not hold on your behalf ("held away assets") or manually entered assets which are not included on the firm's books and records. Assets "held away" are those accounts which have been solicited and/or are held outside of the Broker Dealer. In most instances, "held away" assets are non-verifiable by the Broker Dealer. Any information represented as manually entered assets should be regarded as informational only and not interpreted as official or legal financial positions. You are encouraged to review and maintain the official source document(s) provided by the account custodian(s). These source documents may contain notices, disclosures and other important information and may also serve as a reference should questions arise regarding the accuracy of the information in this consolidated report. Always refer to these source documents for lending, legal or tax purposes. Calculations are based on and valuations are stated in US Dollars. If you have any questions as to the values of the assets, please contact the sponsor company directly.

Securities and/or advisory services offered through [FIRM]

SAMPLE DISCLOSURE 2:
IMPORTANT: The projections or other information generated by HiddenLevers regarding the likelihood of various investment outcomes are hypothetical in nature, do not reflect actual investment results, and are not guarantees of future results.

The return assumptions in HiddenLevers are not reflective of any specific product, and do not include any fees or expenses that may be incurred by investing in specific products. The actual returns of a specific product may be more or less than the returns used in HiddenLevers. It is not possible to directly invest in an index. Financial forecasts, rates of return, risk, inflation, and other assumptions may be used as the basis for illustrations. They should not be considered a guarantee of future performance or a guarantee of achieving overall financial objectives. Past performance is not a guarantee or a predictor of future results of either the indices or any particular investment.

HiddenLevers offers several methods of calculating results, each of which provides one outcome from a wide range of possible outcomes. All results in this Report are hypothetical in nature, do not reflect actual investment results, and are not guarantees of future results. All results use simplifying assumptions that may not completely or accurately reflect the specific circumstances. No Plan or Report has the ability to accurately predict the future. As investment returns, inflation, taxes, and other economic conditions vary from the Hidden Levers assumptions, your actual results will vary (perhaps significantly) from those presented in this Report.
The results are calculated over many years, small changes can create large differences in future results. You should use this Report to help you focus on the factors that are most important to you. This Report does not provide legal, tax, or accounting advice. Before making decisions with legal, tax, or accounting ramifications, you should consult appropriate professionals for advice that is specific to your situation. This information is provided for your convenience, but should not be used as a substitute for your account’s monthly statements and trade confirmations. It has been gathered from information provided by you and other sources believed to be reliable.

Investors in Mutual Funds should consider the investment objectives, risks, charges and expenses of the investment company carefully before investing. The prospectus and, if available, the summary prospectus contain this and other important information about the investment company. You can obtain a prospectus and summary prospectus from your financial representative. Read carefully before investing.

The opinions voiced in this material are for general information only and are not intended to provide specific advice or recommendations for any individual. To determine which investment(s) may be appropriate for you, consult your financial advisor prior to investing. All performance referenced is historical and is no guarantee of future results. All indices are unmanaged and may not be invested into directly.

Assumed rates of return and standard deviation assumptions used in the HiddenLevers analysis are based on historical return data for the benchmark index for the asset class. Indices are unmanaged and cannot be invested into directly. Past performance is no guarantee of future results.

HiddenLevers is not affiliated with [FIRM]. Investment products are: not deposits, not FDIC/NCUA insured, not insured by any government agency, not bank guaranteed, subject to risk and may lose value.
